The governing body manage an onsite **nursery** providing morning and afternoon sessions for pupils aged 3-4 years of age. The school runs an **extensive range of breakfast and after school clubs**.

We are a Voluntary Aided Catholic school under the trusteeship of the **Diocese of Westminster**. Our mission in serving our local Catholic families, is to offer a high quality **Catholic education**; spiritual and moral teaching to the children in our care.

We have **high expectations** of all our children in every aspect of school life. We endeavour to enable them each to achieve their potential through **high standards of behaviour and outstanding learning experiences**. We aim to enable them to develop self-confidence and independence, recognising that each and everyone has a part to play as a responsible member of our learning community and **Christ's worldwide family**.

St Joseph's is a forward-thinking school with a strong team of committed staff that continuously seek to provide the **very best learning opportunities** for its pupils. We are proud of our **Ofsted** judgement of Outstanding (Dec 2012) and our recognition as a specialist computing school through our **Computing Learning Hub**.
